

Bayside Triathlon Club – AGM 7/7/06

Minutes

Apologies: Di Astwood, Nick King, Adam McKee, Donal Parsons

Presidents Report – Ben Lamprell

- Thanks to everyone for a good year.
- Thanks to all committee members for their efforts through out the season.
- Thank you to Gareth, Adam, & David for their work on the committee over the past few years. They are standing down from the committee, but will still be active members.
- A personal special mention and thank you to Don Parsons for all his hard work over the year. Don does a lot of the behind the scenes work that goes un noticed, but without it the club would not function as smoothly.
- Thank you to Jocelyn, Paul & Angelique for all their hard work on our fantastic website.

Highlights of the Year

- Membership has more than doubled to 120+ members, including family memberships. This makes us one of the biggest Tri clubs in Victoria.
- Winning the Victorian Interclub championship, again confirming us as the number 1 Tri club in Victoria.
- The club is now in a better financial position. We can now look at things to purchase on behalf of the club to benefit all members.
- Increased social days. Thank you to Clara for organizing all the days.

Treasurers Report – Darren Trew

- Club made a \$2990 surplus for the year.
- \$2000 will be put into a higher interest savings account.
- Bank balance of \$4659
- 89 paid up members for the year

Clubrooms – Ben Lamprell

- We have taken the keys to the new rooms.
- A couple of working bees have happened and will be required to upgrade the rooms. Dates will be set and volunteers required.
- A formal opening will be held. Date to be announced.

Sponsors

- Nick King is organising sponsorship for the new season. We have had talks with TCR, and he has declined an invitation to be our sponsor at this time.
- Nick is looking at working on a major sponsor with a couple of smaller sponsors to complement our sports and club.

TriVic Membership

- Encourage everyone to join TriVic for the training insurance and also to help fund the sport and help it grow.

Marcus Galbraith Award – Outstanding Achievement

- Awarded to Brendan “Bruno” King. Bruno was involved in a serious accident a little over 2 years ago, just 2 weeks out from competing in his first Ironman. This year Bruno achieved that goal up at Port MacQuarie in a time of 10.44. He still had the titanium rod in his leg from the accident.

A fantastic achievement, and shows that perseverance and determination does pay off. Well done Bruno on a great achievement.

Membership Fees

- Fee unchanged: Single \$40, Family \$60 for the year 2006/2007.
- This still keeps us as the cheapest Triathlon club in Metro Melbourne.
- You can join online at:
